

Darrell Maurer

Human Resources and Benefits Coordinator

Darrell Maurer is human resources and benefits coordinator for the Detroit Regional Partnership (DRP), a leading economic development nonprofit serving the 11-county Detroit Region. In this role, Maurer supports human resources and operations to deliver a streamlined, positive employee experience. His duties include payroll, benefits administration, personnel and performance management, and assisting in implementing and improving human resources policy and services throughout the organization.

Prior to joining the DRP, Maurer held numerous human resources positions, including with Inland Diamond Products and Powerlink Facilities Services. He also served as a staff accountant at Baker Tilly specializing in tax and auditing. Maurer holds a bachelor's degree in accountancy from Walsh College in Troy, Michigan.
