

# Shiawassee County is a proud member of the Detroit Regional Partnership!

Located halfway between Toronto, Canada and Chicago along with I-69 International Trade Corridor (USMCA Corridor) and just minutes from Lansing, home of Michigan State University, and Flint home to the University of Michigan-Flint and Kettering University. Shiawassee County offers a central location to North American markets along with a pro-business climate and a competitive cost of doing business. ## The Detroit Region

## Top Development Sites

### Owosso Charter Township Industrial Park West

80 acres located adjacent to an existing industrial park, this site features ready access to water, sewer, gas, and electric service. Immediate access to two different state highways offers great access to customers and suppliers alike.

### City of Corunna - Parmenter Rd

Owned by the City of Corunna, this site encompasses 130 acres of prime industrial land. Ready access to utilities, rail access available through Huron & Eastern Railway, this property is one of Michigan Economic Development Corporation's Build Ready Sites.
